www.bioreliance.com

Thank you for choosing BioReliance

To make your stay in Stirling easier, we have prepared this welcome brochure for your use. You will find information inside about the following:

- What you need for the UK
- Building layout and exits
- Emergency contact details
- General BioReliance information
- Places to eat
- Things to do and see
- Information on bus and rail
- Car rental companies

Our goal is to provide a first-class service and ensure that your visit with us will be both productive and enjoyable. To help us continually improve, we would appreciate if you would complete the survey included inside this brochure. We welcome all feedback and questions you may have.

What you will need for the UK

Currency: The currency used in the UK is the Pound Sterling. Research current exchange rates for more information. (www.xe.com)

Electrical Adaptor: Voltage in the UK is rated as 230 volts/50 hertz. This is standard around most of Europe. The standard UK power outlet is a 3-pin, double pole, switched outlet requiring a UK-standard 13 amp 3-pin plug. Adaptors that convert European and American plugs to fit UK socket outlets are widely available.

Umbrella: Scottish weather can be unpredictable so you need to be prepared for rain.

General Information

Hours of Work

Monday – Thursday: 8.00am - 6.00pm

Friday: 8.00am - 4.00pm

For work outside these hours please contact your Project Manager, Study Director/Scientist or Senior Associate Scientist.

Communication

To use computers in client offices, use the log-in details noted on the computer. A 2-way radio is available on request.
